BioApta Skincare*

LABORATORI RIUNITI DELLE FARMACIE S.r.l.

Rooted in nature and perfected by science, BIOAPTA delivers the pinnacle of skincare innovation, blending tradition with technological advancement to nurture and transform your skin.

Discover BIOAPTA: The Essence of Dermocosmetic Innovation, Rooted in Pharmaceutical Expertise. Born in the pristine landscapes of Abruzzo, at the foot of the majestic Gran Sasso mountain, each product harnesses the purest water, contributing to our unmatched formulation quality. This unique resource, combined with decades of research and profound understanding, is crafted by expert pharmacists who apply precise cosmetic science to meet consumer needs.

BIOAPTA offers an expansive portfolio of products, meticulously tailored to cater to every aspect of skin health—protection, care, and cleanliness of the epidermis. Designed for the discerning user, our formulations combine extensive research

with high-performance ingredients for unparalleled efficacy.

Elevate your skincare routine with BIO-APTA's exclusive lines, meticulously developed by the United Laboratories of Pharmacies. Our rigorous quality controls, implemented throughout the entire production process, ensure that each product is dermocompatible and respects the skin's natural physiology—making them suitable for all skin types, including the most sensitive children's skin. Additionally, BIOAPTA products are a valuable aid in the specific treatment of particular dermatological conditions, ensuring comprehensive care and protection, all fortified by the purest natural resources of Abruzzo.

Explore the transformative power of BIO-APTA and embrace the pinnacle of skincare innovation by visiting our trusted distributors or shopping online today.

APTA-AGING 2

ANTI-AGING COSMETIC EMULSION FOR AGES 35+

Designed to address the distinctive needs of mature skin, this advanced anti-aging emulsion is a cornerstone in preventative skincare for those over 35. It harnesses the power of highly concentrated, nourishing, and protective ingredients, including a UV filter that ensures consistent, gentle protection against harmful solar radiation. The emulsion's formula is enriched with highly concentrated anti-aging ingredients, enhancing its effectiveness against wrinkles and signs of aging. Apply in month-long cycles four to five times a year for optimal results, ideally alternating with a Aptaderm.

Ingredients

AQUA, PETROLATUM, C12-20 ACID PEG-8 ESTER, GLYCERIN, OLIGOPEPTIDE-5, POLYISOPRENE, CETEARYL ALCOHOL, OLEA EUROPAEA OIL (OLIVE) UNSAPONIFIABLES, ETHYLHEXYL METHOXYCINNAMATE, GLYCERYL STEARATE, PEG-90 STEARATE, RICINUS COMMUNIS (CASTOR) SEED OIL, SESAMUM INDICUM (SESAME) SEED OIL, GLYCINE SOJA (SOYBEAN) OIL UNSAPONIFIABLES, TRITICUM VULGARE (WEHEAT) GERM OIL UNSAPONIFIABLES, DIMETHICONE, IMIDAZOLIDINYL UREA, DISODIUM EDTA, PARFUM, ARACHIS HYPOGAEA (PEANUT) OIL, POLLEN EXTRACT, SODIUM DEHYDROACETATE, SILICA, CARBOXYMETHYL CHITOSAN, BHA, BHT, CITRIC ACID, PROPYL GALLATE.

APTABODY

HYDRATING BODY EMULSION

This hydrating emulsion is expertly formulated for the body, ideal for use in conditions of skin dryness and after bathing or showering. It ensures effective softness and elasticity to the epidermis, thanks to its high emollient and moisturizing capabilities, enriched with elastin, chitin, and glycerin. To use, apply the necessary amount of emulsion to dry skin and distribute it evenly.

Gently but thoroughly massage in circular motions until the product is fully absorbed, leaving the skin deeply hydrated and noticeably smoother.

Ingredients

AQUA, GLYCERIN, GLYCERYL STEARATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, CETEARYL ISONONANOATE, CYCLOPENTASILOXANE, CETEARETH-12, CETEARETH-20, SESAMUM INDICUM (SESAME) SEED OIL, PARFUM, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, CARBOMER, TRIETHANOLAMINE, IMIDAZOLIDINYL UREA, DISODIUM EDTA, ARACHIS HYPOGAEA (PEANUT) OIL, DAUCUS CAROTA SATIVA (CARROT) ROOT EXTRACT, HYDROLYZED ELASTIN, SODIUM DEHYDROACETATE, CITRIC ACID, CARBOXYMETHYL CHITOSAN, BHA, BHT, PROPYL GALLATE.

INTIMO SOFTCARE

ULTRA-SOFT GENTLE INTIMATE CLEANSER

Our Ultra-Soft Gentle Intimate Cleanser is specifically formulated for individuals with particularly sensitive skin, including those who experience nonspecific irritations or cannot tolerate regular intimate wash products. Ideal for cleansing the ano-genital mucosa, this cleanser is fragrance-free to ensure the highest level of gentleness and compatibility. Designed for external use only, it provides a safe and soothing option for maintaining personal hygiene without causing discomfort.

Ingredients

AQUA, CHAMOMILLA RECUTITA (MATRICARIA) FLOWER WATER, CAPRYLYL/CAPRYL GLUCOSIDE, HYDROXYETHYLCELLULOSE, IMIDAZOLIDINYL UREA, DISODIUM EDTA, SODIUM DEHYDROACETATE, HYDROLYZED ELASTIN.

APTABAD

ENERGIZING SHOWER GEL

This shower gel is designed for daily hygiene and is particularly suitable for those who engage in sports activities, thanks to its toning and relaxing effect. It contains two surfactants, sodium laureth sulfate and caprylyl/capryl glucoside, which are especially gentle. Marine elastin is also included for its hydrating and nutritive actions.

Apply a small amount to wet skin, gently massage, then rinse thoroughly with water.

Ingredients

AQUA, SODIUM LAURETH SULFATE, CAPRYLYL/CAPRYL GLUCOSIDE, SODIUM CHLORIDE, PARFUM, IMIDAZOLIDINYL UREA, DISODIUM EDTA, SODIUM DEHYDROACETATE, GLYCOL DISTEARATE, COCAMIDE MEA, HYDROLYZED ELASTIN, LAURETH-10, SODIUM SULFATE, CI 19140, CI 73015, CI 42051.

200 ml

Cod. MINSAN 908277496

APTASOFT SHAMPOO

GENTLE SHAMPOO

This gentle shampoo is ideal for frequent use and expertly formulated without the harsh surfactants, like sodium laurel sulfate, typically found in other shampoos. It effectively cleanses, preserving the hair's natural structure and enhancing its strength and shine. Infused with Ruscus and Hamamelis, it soothes the scalp and reduces irritation, while marine elastin and glycerin deeply hydrate and nourish the hair.

Gently massage the product into wet hair, then rinse thoroughly with water.

Ingredients

AQUA, CAPRYLYL/CAPRYL GLUCOSIDE, GLYCERIN, SODIUM LAUROYL SARCOSINATE, PEG-120 METHYL GLUCOSE DIOLEATE, PROPYLENE GLYCOL, SODIUM COCO-GLUCOSIDE TARTRATE, PARFUM, IMIDAZOLIDINYL UREA, DISODIUM EDTA, HAMAMELIS VIRGINIANA LEAF EXTRACT, SODIUM DEHYDRO-ACETATE, RUSCUS ACULEATUS ROOT EXTRACT, HYDROLYZED ELASTIN.

8 027237 000360

APTAFUR SHAMPOO

ANTI-DANDRUFF SHAMPOO

Specially formulated to combat both dry and oily dandruff, this gentle shampoo harnesses a powerful complex of active ingredients. Nettle and capsicum extracts, combined with sulfur, resorcinol, and ethoxydiglycol, effectively address the underlying causes of dandruff. Undecylenic acid adds crucial antifungal and antimicrobial properties, ensuring comprehensive scalp care. For dry dandruff, alternate with a gentle shampoo such as Aptasoft, using no more than twice a week. For oily dandruff, start with an intensive regimen of two washes per week for the first two weeks, then reduce to once a week, alternating with Aptasoft. Apply to wet hair, gently massage, and allow to work for 3-4 minutes before rinsing thoroughly.

Ingredients

AQUA, CAPRYLYL/CAPRYL GLUCOSIDE, PEG-120 METHYL GLUCOSE DIOLEATE, GLYCERIN, SODIUM LAUROYL SARCOSINATE, SODIUM COCO-GLUCOSIDE TARTRATE, PEG-6 UNDECYLENATE, ETHOXYDIGLYCOL, PARFUM, IMIDAZOLIDINYL UREA, DISODIUM EDTA, PEG-40 HYDROGENATED CASTOR OIL, SODIUM DEHYDROACETATE, ALCOHOL, POLYSORBATE 80, CAPSICUM FRUTESCENS EXTRACT, CAMEL, RESORCINOL, SULFUR, URTICA DIOICA EXTRACT, HYDROLYZED ELASTIN.

027237 000216

APTASEB SHAMPOO

OILY HAIR SHAMPOO

This shampoo for oily hair gently reduces excess sebum with the help of Vitamin E, a powerful antioxidant. To prevent the rebound effect –an increase in sebum production caused by its drastic removal– alternate use with a frequent-use shampoo (Aptasoft). It contains marine elastin, which softens and protects the hair, and is free from sodium lauryl sulfate.

Gently massage the product into wet hair and leave it on for 3-4 minutes before rinsing thoroughly with water.

Ingredients

AQUA, CAPRYLYL/CAPRYL GLUCOSIDE, GLYCERIN, SODIUM LAUROYL SARCOSINATE, PEG-120 METHYL GLUCOSE DIOLEATE, SODIUM COCO-GLUCOSIDE TARTRATE, PARFUM, IMIDAZOLIDINYL UREA, TOCOPHERYL ACETATE, DISODIUM EDTA, SODIUM DEHYDROACETATE, HYDROLYZED ELASTIN.

APTACRIN SHAMPOO

REVITALIZING SHAMPOO

This revitalizing shampoo gently cleanses the hair while providing highly concentrated protective and nourishing substances (cystine, lysine, niacinamide (vitamin PP), and panthenol) to weakened or particularly fragile hair due to treatments and/or coloring. It is recommended for preventing hair loss.

Gently massage the product into wet hair and allow it to act for 3-4 minutes before thoroughly rinsing with water.

Ingredients

AQUA, CAPRYLYL/CAPRYL GLUCOSIDE, GLYCERIN, PEG-120 METHYL GLUCOSE DIOLEATE, SODIUM LAUROYL SARCOSINATE, SODIUM COCO-GLUCOSIDE TARTRATE, LYSINE CARBOXYMETHYL CYSTEINATE, PARFUM, IMIDAZOLIDINYL UREA, NIACINAMIDE, PANTHENOL, DISODIUM EDTA, SODIUM DEHYDROACETATE, LYSINE THIAZOLIDINE CARBOXYLATE.

APTABABY SHAMPOO

GENTLE SHAMPOO FOR CHILDREN

Specifically formulated for children, this shampoo is exceptionally gentle, not only due to its use of non-aggressive surfactants but also because it includes hamamelis and chamomile for their soothing effects. It is tear-free thanks to its eye-safe pH level, and even the fragrance has been carefully selected for use in children's products.

Gently massage the product into wet hair and then rinse with water.

Ingredients

AQUA, CHAMOMILLA RECUTITA FLOWER WATER, HAMAMELIS VIRGINIANA LEAF WATER, GLYCERIN, SODIUM LAUROYL SARCOSINATE, CAPRYLYL/CAPRYL GLUCOSIDE, PEG-120 METHYL GLUCOSE DIOLEATE, SODIUM COCO-GLUCOSIDE TARTRATE, PHENOXYETHANOL, GLUCAMINE, IMIDAZOLIDINYL UREA, PARFUM, SODIUM HYDROXYMETHYLGLYCINATE, DISODIUM EDTA, ETHYLPARABEN, METHYLPARABEN, PROPYLPARABEN, BUTYLPARABEN.

Cod. MINSAN 908747076

APTASAP LIQUIDO

LIQUID SOAP

Aptasap Liquid is a daily-use liquid soap for cleansing both hands and face. Its special formulation allows for high skin adaptability, respecting the skin's pH and saprophytic bacterial flora without altering the hydrolipidic film, even with frequent use. The pump dispenser is designed for hygienic reasons and to optimize product usage

Ingredients

AQUA, SODIUM LAURETH SULFATE, COCAMIDOPROPYL BETAINE, CAPRYLYL/CAPRYL GLUCOSIDE, PEG-120 METHYL GLUCOSE DIOLEATE, PARFUM, IMIDAZOLIDINYL UREA, DISODIUM EDTA, SODIUM DEHYDROACETATE, GLYCOL DISTEARATE, CO-CAMIDE MEA, LAURETH-10, HYDROLYZED ELASTIN.

300 ml

Cod. MINSAN 908277484

APTASAP GEL MANI

HAND CLEANSING AND SANITIZING GEL

Aptasap Hand Gel is a versatile hand cleanser, and sanitizer perfect for various situations: while traveling, at work, using public transportation, or simply when you need to wash your hands but water and soap are not available. Enriched with emollient substances like aloe, it not only cleanses but also protects against chapping and counteracts the drying effects of alcohol, preserving the skin's sensitivity.

Apply a small amount to the hands and rub until fully absorbed.

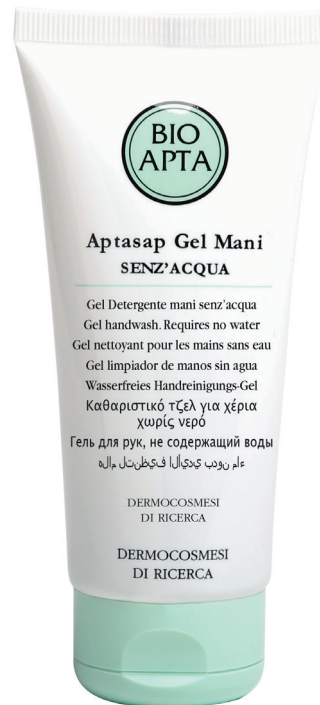

Ingredients

ALCOHOL DENAT., AQUA, ALOE BARBADENSIS LEAF JUICE, CARBOMER, TRIETHANOLAMINE, PEG-40 HYDROGENATED CASTOR OIL, TRICLOSAN, PARFUM, PROPYLENE GLYCOL, DI-SODIUM EDTA, HYDROLYZED ELASTIN, CITRIC ACID.

Cod. MINSAN 909093205

APTACREAM PLUS

HYDRATING DAY CREAM FOR DRY SKIN

This meticulously formulated deep-action day cream is designed for optimal hydration of normal to dry skin types. It hydrates effectively with ingredients such as chitin, fibronectin, glycerin, and propylene glycol. The cream is also enriched with carrot oil for its nourishing properties and contains a UVB sunscreen combined with vitamin E, providing effective and consistent sun protection to combat photoaging. Suitable for use on children's skin as well. Apply on clean skin and massage gently until fully absorbed, ensuring the skin remains soft, nourished, and well-protected throughout the day.

Ingredients

AQUA, C12-20 ACID PEG-8 ESTER, POLYISOPRENE, GLYCERIN, OLIGOPEPTIDE-5, PARAFFINUM LIQUIDUM, CETEARYL ALCOHOL, GLYCERYL STEARATE, PEG-90 STEARATE, HELIANTHUS ANNUUS SEED OIL, ETHYLHEXYL METHOXYCINNAMATE, DIMETHICONE, IMIDAZOLIDINYL UREA, DISODIUM EDTA, PARFUM, ARACHIS HYPOGAEA OIL, DAUCUS CAROTA SATIVA ROOT EXTRACT, SODIUM DEHYDROACETATE, CARBOXYMETHYL CHITOSAN, BHA, BHT, CITRIC ACID, PROPYL GALLATE.

APTA-AGING 1

ANTI-AGING COSMETIC EMULSION FOR AGES 18-35

This emulsion serves as an aid in the preventive treatment of skin aging, including wrinkles. It is highly effective due to the nourishing and protective properties of its components, among which is a solar filter (ethylhexyl methoxycinnamate) that provides low but consistent protection against UV radiation. The formula also includes silica, an exfoliating agent that promotes a peeling effect, removing dead skin cells during the application of the cream. Suitable for ages 18 to 35. It should be applied in cycles of one month for four to five times a year, alternating with Aptaderm.volte all'anno, alternandone l'uso con Aptaderm.

Ingredients

AQUA, POLYISOPRENE, C12-20 ACID PEG-8 ESTER, GLYCERIN, PARAFFINUM LIQUIDUM, OLIGOPEPTIDE-5, CETEARYL ALCOHOL, GLYCERYL STEARATE, PEG-90 STEARATE, OLEA EUROPAEA OIL UNSAPONIFIABLES, ETHYLHEXYL METHOXYCINNAMATE, DIMETHICONE, RICINUS COMMUNIS OIL, SESAMUM INDICUM OIL, GLYCINE SOJA OIL UNSAPONIFIABLES, TRITICUM VULGARE GERM OIL UNSAPONIFIABLES, IMIDAZOLIDINYL UREA, DISODIUM EDTA, PARFUM, ARACHIS HYPOGAEA OIL, SODIUM DEHYDROACETATE, POLLEN EXTRACT, SILICA, CARBOXYMETHYL CHITOSAN, BHA, BHT, CITRIC ACID, PROPYL GALLATE.

APTADERM

NOURISHING FACE CREAM

This nutrient-rich cream is expertly formulated to restore the balance of the epidermis and provide an effective barrier against its deterioration. It delivers physiologically appropriate action, combined with moisturizing and emollient properties, making it also ideal as a night cream. While it does not contain sunscreen, it can still be used during the day for those with very dry skin or in extreme climatic conditions (cold, high altitude).

Apply to clean skin and massage until fully absorbed.

Ingredients

AQUA, C12-20 ACID PEG-8 ESTER, PARAFFINUM LIQUIDUM, GLYCERIN, POLYISOPRENE, CETEARYL ALCOHOL, HELIANTHUS ANNUUS SEED OIL, GLYCERYL STEARATE, PEG-90 STEARATE, DIMETHICONE, IMIDAZOLIDINYL UREA, DAUCUS CAROTA SATIVA ROOT EXTRACT, DISODIUM EDTA, PARFUM, TOCOPHERYL ACETATE, ARACHIS HYPOGAEA OIL, SODIUM DEHYDROACETATE, HYDROLYZED ELASTIN, BHA, BHT, CARBOXYMETHYL CHITOSAN, CITRIC ACID, PROPYL GALLATE.

APTACLEAN

FACIAL CLEANSING MILK

This gentle cleansing milk is suitable for all skin types, particularly sensitive and delicate skins. It is an excellent choice for acne-prone individuals whose skin may suffer from the harshness of typical acne treatments. Enriched with sesame and castor oils, it doubles as an effective makeup remover and can also be used as a body cleanser for infants and children. Aptaclean features three bioemulgoid emulsifiers (C12-20 acid Peg-8 ester, isoceteth-10 stearate, isosteareth-10 stearate) that preserve the skin's normal bacterial and fungal flora without disruption.

Apply the milk to the face with gentle circular motions or using a cotton pad. Rinse thoroughly with lukewarm water or remove with Aptatonic.

Ingredients

AQUA, PARAFFINUM LIQUIDUM, GLYCERIN, POLYISOPRENE, ISOCETETH-10 STEARATE, C12-20 ACID PEG-8 ESTER, ISOSTEARETH-10 STEARATE, CETEARYL ALCOHOL, RICINUS COMMUNIS OIL, SESAMUM INDICUM OIL, CITRIC ACID, CAPRYLYL/CAPRYL GLUCOSIDE, IMIDAZOLIDINYL UREA, DISODIUM EDTA, PPG-25-LAURETH-25, PARFUM, ARACHIS HYPOGAEA OIL, SODIUM DEHYDROACETATE, BHA, BHT, PROPYL GALLATE.

APTATONICO

HYDRATING TONER

This hydrating toner is meticulously designed for the deep cleansing and rejuvenation of both face and neck. This toner leaves the skin feeling exceptionally soft, refreshed, and tightened, creating an ideal canvas for subsequent application of moisturizers and makeup. Alcohol-free and extraordinarily gentle, the toner features ruscus and chitin for their emollient and hydrating. Its micro-healing properties not only aid in soothing the skin but also make this toner an excellent aftershave option.

For best results, gently pat the toner onto cleansed skin and allow it to fully absorb before applying your chosen moisturizer or beginning your makeup routine, ensuring a flawless finish and nourished skin.

Ingredients

AQUA, LAURETH-3, RICINOLETH-40, PROPYLENE GLYCOL, IMIDAZOLIDINYL UREA, DISODIUM EDTA, RUSCUS ACULEATUS ROOT EXTRACT, PARFUM, SODIUM DEHYDROACETATE, CARBOXYMETHYL CHITOSAN.

APTAFACE

FACIAL CLEANSER FOR OILY SKIN

Expertly formulated for those with oily skin, this advanced liquid cleanser excels in purifying the skin by effectively removing excess sebum and other impurities. Enriched with soothing agents, it enhances skin's softness and elasticity. Fragrance-free to ensure purity and gentleness.

To use, apply a small amount to wet skin, gently massage, and then rinse thoroughly to reveal refreshed and refined skin.

Ingredients

AQUA, SODIUM LAUROYL SARCOSINATE, HAMAMELIS VIRGINIANA LEAF WATER, SODIUM COCO-GLUCOSIDE TARTRATE, GLYCERIN, PEG-120 METHYL GLUCOSE DIOLEATE, IMIDAZOLIDINYL UREA, DISODIUM EDTA, SODIUM DEHYDROACETATE.

APTACELL

COSMETIC EMULSION FOR CELLULITE IMPERFECTIONS

This advanced emulsion is specifically formulated to address the visual imperfections associated with cellulite, often described as "orange peel" skin. It enhances skin tone, elasticity, and overall aesthetic appearance of the treated areas. Uniquely, this emulsion is not white but a functional beige, due to the inclusion of dry extract of centella, which is significantly more active than its glycolic counterpart, boosting the product's effectiveness.

Ingredients

AQUA, C12-20 ACID PEG-8 ESTER, GLYCERIN, PROPYLENE GLYCOL, PETROLATUM, POLYISOPRENE, CENTELLA ASIATICA EXTRACT, CERA ALBA, TEA-HYDROIODIDE, ISOCETETH-10 STEARATE, DIMETHICONE, GLYCERYL STEARATE, PEG-90 STEARATE, IMIDAZOLIDINYL UREA, PARFUM, ISOSTEARETH-10 STEARATE, DISODIUM EDTA, FUCUS VESICULOSUS EXTRACT, ARACHIS HYPOGAEA OIL, AESCULUS HIPPOCASTANUM SEED EXTRACT, HEDERA HELIX LEAF EXTRACT, SODIUM DEHYDRO-ACETATE, BHA, BHT, CITRIC ACID, PROPYL GALLATE.

APTASTRIE

COSMETIC EMULSION FOR STRETCH MARK PREVENTION

This proactive cosmetic emulsion is meticulously designed to prevent the formation of stretch marks, particularly during pregnancy and in conditions where the skin may lose elasticity, such as in delicate areas like the breasts. The formula helps maintain skin's suppleness and resilience, crucial for preventing the appearance of stretch marks. For optimal results, apply the emulsion evenly to the affected areas and gently massage it into the skin with sustained, gentle strokes until it is fully absorbed. This application technique enhances the skin's ability to retain its natural firmness and smooth texture.

Ingredients

AQUA, C12-20 ACID PEG-8 ESTER, GLYCERIN, PETROLATUM, POLYISOPRENE, PROPYLENE GLYCOL, HELIANTHUS ANNUUS SEED OIL, GLYCERYL STEARATE, OLIGOPEPTIDE-5, PEG-90 STEARATE, RICINUS COMMUNIS OIL, SESAMUM INDICUM OIL, ISOCETETH-10 STEARATE, DIMETHICONE, IMIDAZOLIDINYL UREA, ISOSTEARETH-10 STEARATE, DAUCUS CAROTA SATIVA ROOT EXTRACT, DISODIUM EDTA, PARFUM, ARACHIS HYPOGAEA OIL, AESCULUS HIPPOCASTANUM SEED EXTRACT, EQUISETUM ARVENSE EXTRACT, SODIUM DEHYDROACETATE, HYDROLYZED ELASTIN, CARBOXYMETHYL CHITOSAN, BHA, BHT, CITRIC ACID, PROPYL GALLATE.

APTALINE COLLO-SENO

FIRMING EMULSION FOR NECK AND BUST

This specially formulated firming emulsion is designed to tone and enhance the skin of sensitive and delicate areas, such as the neck and bust. It imbues the skin with increased elasticity, actively preventing sagging and the onset of wrinkles. For best results, apply the emulsion to the targeted areas and facilitate absorption with gentle yet extended circular massages. This technique helps to firm and smooth the skin, maintaining its youthful contour and resilience.

Ingredients

AQUA, C12-20 ACID PEG-8 ESTER, GLYCERIN, PETROLATUM, POLYISOPRENE, PROPYLENE GLYCOL, HELIANTHUS ANNUUS SEED OIL, GLYCERYL STEARATE, OLIGOPEPTIDE-5, PEG-90 STEARATE, SILICA, ISOCETETH-10 STEARATE, DIMETHICONE, IMIDAZOLIDINYL UREA, ISOSTEARETH-10 STEARATE, DAUCUS CAROTA SATIVA ROOT EXTRACT, DISODIUM EDTA, PARFUM, HAMAMELIS VIRGINIANA LEAF EXTRACT, RUSCUS ACULEATUS ROOT EXTRACT, ARACHIS HYPOGAEA OIL, SODIUM DEHYDROACETATE, HYDROLYZED ELASTIN, BHA, BHT, CITRIC ACID, PROPYL GALLATE.

APTALINE CORPO

BODY FIRMING EMULSION

This body firming emulsion is specifically formulated to target localized fat deposits, enhancing the tone, elasticity, and overall aesthetic appearance of the treated areas. For optimal results, apply the product daily with consistency. Massage gently in circular motions for an extended period to facilitate deep absorption. This regimen helps improve skin texture, providing a visibly firmer and more sculpted appearance.

Ingredients

AQUA, C12-20 ACID PEG-8 ESTER, GLYCERIN, PROPYLENE GLYCOL, PETROLATUM, POLYISOPRENE, GLYCERYL STEARATE, PEG-90 STEARATE, ISOCETETH-10 STEARATE, DIMETHICONE, IMIDAZOLIDINYL UREA, ISOSTEARETH-10 STEARATE, PARFUM, DISODIUM EDTA, RUSCUS ACULEATUS ROOT EXTRACT, HAMAMELIS VIRGINIANA LEAF EXTRACT, ARACHIS HYPOGAEA OIL, HYDROLYZED ELASTIN, SODIUM DEHYDROACETATE, SILICA, BHA, BHT, CITRIC ACID, PROPYL GALLATE.

APTASOL ADULTI

SUN MILK WITH SPF 50+ PROTECTION

This sun milk offers high protection against harmful UVA and UVB rays, ensuring your skin is safeguarded during sun exposure. For optimal protection, generously apply (2 mg per cm²) to all sun-exposed areas of the body, avoiding contact with the eyes. Reapply frequently during prolonged exposure, after swimming or excessive sweating. Inadequate amounts of the product significantly reduce the level of protection provided. Ensure thorough coverage to maintain effective sun defense.

Ingredients

AQUA, C12-15 ALKYL BENZOATE, OCTOCRYLENE, BUTYL METHOXYDIBENZOYLMETHANE, ETHYLHEXYL SALICYLATE, 4-METHYLBENZYLIDENE CAMPHOR, PHENYLBENZIMIDAZOLE SULFONIC ACID, VP/EICOSENE COPOLYMER, CE-TEARETH-25, CETETH-2, DECYL OLEATE, POLYSILICONE-15, PHENOXYETHANOL, SODIUM POLYACRYLATE, CYCLOPENTASILOXANE, ETHYLHEXYLGLYCERIN, POTASSIUM HYDROXIDE, TOCOPHERYL ACETATE, PARFUM, DIMETHICONE, LAURYL ALCOHOL, O-CYMEN-5-OL, SODIUM HYDROXIDE, TETRASODIUM EDTA, MYRISTYL ALCOHOL.

CHILDREN'S SUN MILK WITH SPF 50+

Provide your little ones with superior protection from harmful UVA and UVB rays with our SPF 50+ Children's Sun Milk. Designed with sensitive skin in mind, apply generously (2 mg per cm²) over all areas exposed to sunlight, ensuring to avoid eye contact. For sustained protection, especially important during playtime, reapply frequently when your child is exposed to the sun for extended periods, after intense activity or swimming. Remember, insufficient application reduces the effectiveness of the protection, so ensure thorough coverage.

Ingredients

AQUA, C12-15 ALKYL BENZOATE, OCTOCRYLENE, BUTYL METHOXYDIBENZOYLMETHANE, ETHYLHEXYL SALICYLATE, 4-METHYLBENZYLIDENE CAMPHOR, PHENYLBENZIMIDAZOLE SULFONIC ACID, VP/EICOSENE COPOLYMER, POLYSILICONE-15, CETEARETH-25, CETETH-2, DECYL OLEATE, SODIUM POLYACRYLATE, PHENOXYETHANOL, CYCLOPENTASILOXANE, ETHYLHEXYLGLYCERIN, POTASSIUM HYDROXIDE, TOCOPHERYL ACETATE, PARFUM, DIMETHICONE, LAURYL ALCOHOL, O-CYMEN-5-OL, SODIUM HYDROXIDE, TETRASODIUM EDTA, MYRISTYL ALCOHOL.

HIGH PROTECTION SUNSCREEN CREAM

Our High Protection Sunscreen Cream offers robust defense against UVA and UVB rays, providing extremely high protection for sun-exposed skin. Apply generously (2 mg per cm²) to all exposed areas, taking care to avoid the eyes. For optimal protection, especially under conditions of prolonged exposure, heavy sweating, or after swimming, it is crucial to reapply several times. Remember, applying insufficient quantities of this product will significantly decrease its effectiveness in protecting against harmful solar radiation.

Ingredients

AQUA, DECYL OLEATE, OCTOCRYLENE, BUTYL METHOXYDI-BENZOYLMETHANE, ETHYLHEXYL SALICYLATE, PHENYLBENZIMIDAZOLE SULFONIC ACID, HOMOSALATE, CETEARETH-25, CETETH-2, GLYCERIN, VP/EICOSENE COPOLYMER, SODIUM POLYACRYLATE, PHENOXYETHANOL, ETHYLHEXYLGLYCERIN, GLYCERYL CAPRYLATE, GLYCERYL STEARATE, LAURYL ALCOHOL, MYRISTYL ALCOHOL, TOCOPHERYL ACETATE, PARFUM, DISODIUM EDTA, SODIUM HYDROXIDE, ALOE BARBADENSIS LEAF JUICE POWDER.

HIGH PROTECTION SUN MILK FOR SENSITIVE SKIN

Designed for skin that is highly sensitive, prone to sunburn, and tans slowly, our High Protection Sun Milk provides substantial defense against UVA and UVB rays. Generously apply (2 mg per cm²) to all body areas exposed to the sun, ensuring to avoid eye contact. For continuous protection during prolonged sun exposure, intense sweating, or after swimming, it is essential to reapply frequently. Using inadequate amounts of this product can significantly decrease its effectiveness, leaving sensitive skin vulnerable to the sun's harmful effects.

Ingredients

AQUA, DECYL OLEATE, OCTOCRYLENE, PHENYLBENZIMIDAZOLE SULFONIC ACID, BUTYL METHOXYDIBENZOYLMETHANE, CETEARETH-25, CETETH-2, GLYCERIN, VP/EICOSENE COPOLYMER, PHENOXYETHANOL, SODIUM POLYACRYLATE, CYCLOPENTASILOXANE, DIMETHICONE, ETHYLHEXYLGLYCERIN, GLYCERYL CAPRYLATE, GLYCERYL STEARATE, LAURYL ALCOHOL, MYRISTYL ALCOHOL, TOCOPHERYL ACETATE, PARFUM, DISODIUM EDTA, SODIUM HYDROXIDE.
